

## Cheeky Chops Face Painting

- Children's faces must be clean and dry, please wipe noses and mouths *before* being seated to be painted
- **NO** face painting on children under the age of 3 years (we are able to paint a small design on children's arm)
- If you have any concerns regarding your child's reaction to face paints, please discuss with the artist **before** your child is painted ( a patch test will be offered 30 mins before your child is painted)
- NO eating or drinking or smoking whilst being painted
- we will not paint any one who in the opinion of the artist, appears to be suffering from :

*cold sores, conjunctivitis, chicken pox or any seemingly infectious skin complaints or eczema, open wounds or similar*

- *We will NOT paint any signs, symbols or designs that are offensive or illegal*
- we will **NOT** paint unaccompanied children
- Please do not touch the paint or equipment
- verbal or physical abuse will not be tolerated

*The face paints used have been designed for professional use and comply with the FDA/EEC cosmetic regulations. **Not Recommended for under 3 years old***
